About Us

Bloomers Balloons & Party Shop

are dedicated to customer service which helps ensure that, when you entrust us with the supply and delivery of your party accessories & décor, you will not be disappointed.

Our shop is full of party items stocked specifically with your entertainment and enjoyment in mind.

Don't worry if you come into the shop not knowing exactly

what you require - we have lots of ideas and are only too happy to spend some time to help you decide on your party décor.

Being a family run business, we know your time is precious and you may not have the time you'd like to run around & purchase everything you need for your party - don't worry, give us your list and, given sufficient notice, we will do the running around for you.

Table decorations for wedding, christening, birthday, anniversary & party celebrations

Wedding & Function

At Bloomers Balloons, we pride ourselves on being able to work with you to ensure the décor we provide will complement and enhance your occasion.

Being a husband & wife team, we understand how important your wedding day or anniversary celebration is to you & also how stressful such an important event can be when there are so many arrangements to be made.

Sculptured heart for a wedding reception

Let us take part of the stress from you by designing, preparing and delivering your event décor on time to the venue allowing you to concentrate fully on your important day.

Floor standing topiaries guiding guests to the main room entrance

Whether you require pew end bows, wedding car ribbons, a entrance walk-through heart arch, floor standing topiaries, a pearl arch for your buffet or main table, columns and arches for the dance-floor or maybe a balloon & confetti drop, we can oblige.

Call us to arrange to come & see us or alternatively, we will come to you in your home. We don't mind how many or how few ideas you have - we are patient and understanding, giving you the time you need to be sure your décor is planned to perfection.
